

Clinical Emerging Insights

Dr. Megan McElheran RPsych
Dr. Kelly Schwartz RPsych

CIPSRT 2024 Symposium
Ottawa ON

Land Acknowledgement

We are pleased to join you today from Calgary, Alberta, Canada. We would like to take this opportunity to acknowledge the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Blackfoot Confederacy (comprising the Siksika, Piikani, and Kainai First Nations), as well as the Tsuut'ina First Nation, and the Stoney Nakoda (including the Chiniki, Bearspaw, and Wesley First Nations). The City of Calgary is also home to Métis Nation of Alberta, Region 3.

Thinking differently about mental health care for first responders and their families . . .

evidence-informed

clinical competence

proactive approach

emerging clinical trends

trusting collaborations

Empirical research and clinical practice as trusting collaboration

PSP and their families deserve good mental health care that . . .

delivers evidence-based solutions vs
admiring the problem

advances clinical competence

creates harmony among sectors

generously shares resources

bridges regional/sector silos

commits to transparent collaborations
