Families Matter
Research Group

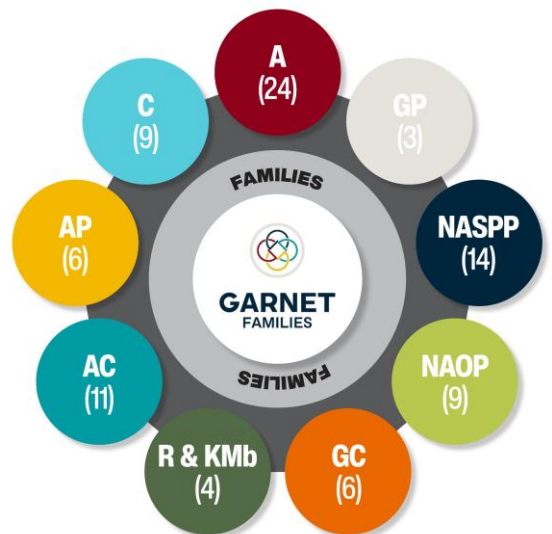

Families matter unequivocally *in their own right*, with experiences, needs, and issues directly and indirectly related to the occupations of the family member.

How can we grow a partnership that centres families?

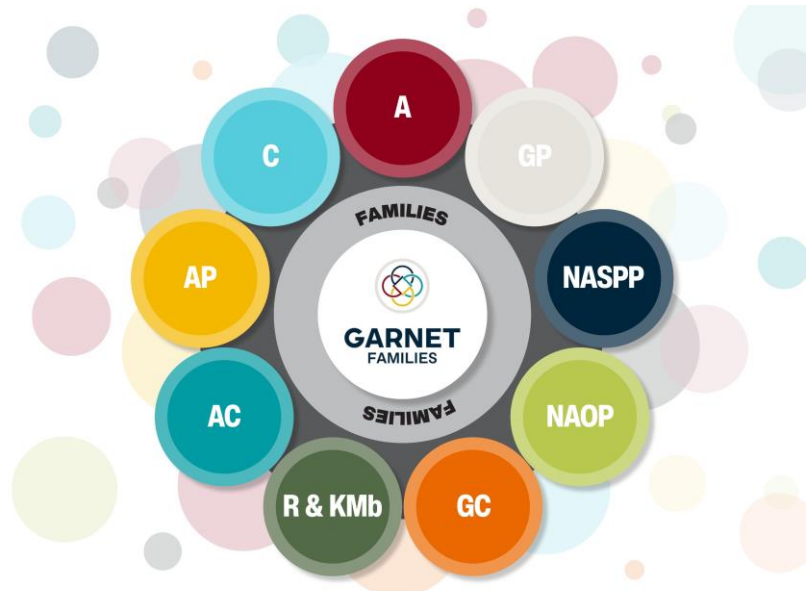

Year 0 - 2019

Year 3 - 2023

Year 4 - 2024

The future!

Partnership Prior

Families Forward Toolkit

- We want to hear from you
- Focus groups
 - March 27 between 2 & 8 PM Eastern

Please reach out and let us know if you can join us:

- Rachel.Richmond@queensu.ca

Participants Wanted for a Research Study “Serving families of those who serve: An exploration of psychosocial support after tragic events”

- ✓ Looking for English-speaking family members of defence and public safety personnel (including police, fire, paramedics, corrections, search and rescue and more).
- ✓ You will be asked to participate in a one-on-one interview about your experience after a tragic event has happened in your community (including incidents such as police fatalities, training accidents, large wildfires, terrorist attacks, suicides or occupational cancer diagnoses).
- ✓ If you are 18 years and older, a family member of defence or public safety personnel, and English-speaking you are eligible to participate.
- ✓ The interview will take approximately one hour to complete.
- ✓ In appreciation of your time, you will receive a \$20 Amazon e-gift card.

For more information or if you are interested in participating, please contact:
